### Group Communications Worksheets

It is essential that your team learn to speak well and clearly articulate their ideas and solutions. This series presents exercises we've used at our meetings.

#### Think Quick(ly) II

##### ***How to use this exercise:***

Use the list of words on the next page to have the children tell spontaneous stories. Have them go around the circle and read the words out loud. When you say, "Stop!" they have to tell you a 15 second story about that word. Work with them until they tell a full story.

Reinforce Intro-Subject-Conclusion.

As a variation of each child pick up the previous story and embellish it.

### Think Quick(ly) II

Read the words in quick succession. When we stop you tell us a 15 second story about your word.
